**In the age of COVID-19, we have also added disinfecting services to the list of services that we provide!**

**We use highly capable Lemon-Quat disinfectant that is used to clean and disinfect any areas known to be unsanitary. It also eliminates any odors with its lemon scent!**

**As of December 10th, 2020, This disinfectant has been proven effective against SARS-CoV-2 (Coronavirus), the cause of COVID-19 Disease**
